PROFESSIONAL PROFILE

Use this area to quickly sell yourself and prove that your awesome skills and achievements can truly help the company you're applying to. If you have specific numbers or percentages to quantify any achievements, use them. This PROVES that you're awesome, instead of just saying so. Keep this section short and concise. It will be the first impression that you will make on the recruiter.

SKILLS

Attention to Detail
Budgeting
Team Leadership
Project Planning
Accountability
Improving Efficiency
Customer Service
Creativity
Resource Management

EXPERIENCE

POSITION TITLE HERE

Company/Date Range

Describe your achievements while in this position, and use action words like "managed" and "completed" instead of the passive "responsible for." Do not just list your job duties or copy your job description! What did you do in this position that could benefit the company you're applying to?

- List any accomplishments, skills you acquired, things you learned.
- Concentrate on really selling yourself and proving to your future employer how valuable you are as an employee.
- If you have specific numbers to quantify any accomplishments, use them! Numbers are key. You might have to do a little math to get numbers or percentages that really show how great you are.

EDUCATION

MASTER'S DEGREE
Business Administration
Your University
2007 – 2009

BACHELOR OF SCIENCE
Business Management
Your University
2002 – 2006

POSITION TITLE HERE

Company/Date Range

You can also list any challenges you faced in the position and what you did to overcome them. Make sure anything you write here is applicable to your prospective job. Be sure to use job-specific keywords to catch your future employer's eye, and to get chosen by application tracking systems.

- Re-read the job listing that you are applying for to help you pick out key skills/duties that are relevant.
- Bullet points ensure that your key achievements will be seen. You do not need to use complete sentences. Keep it short and concise.
- If the job you held is unrelated to the field you are applying for, list the relevant skills or experience you gained from the situation to make it apply to your future dream job.
